W elcome to Addison Court care home. With a brand new state of the art building and facilities, our focus is on creating a welcoming ambience in safe and relaxing surroundings to ensure our service users feel at home.

Our purpose built home has large spacious dining and lounge facilities and has been designed to ensure service users and their families feel relaxed. Individual en-suite rooms are tastefully furnished with bespoke furniture and carpets, LCD televisions, internet access and state of the art lighting to prevent accidents and falls. We believe in giving each service user plenty of scope to make their room their own.

All service users and clients can take advantage of our private landscaped gardens, which are a great source of enjoyment and a focus for activities. There will always be something going on in our home such as art classes, music or celebrations. Activity programmes are a cornerstone of our holistic approach to care.

We tailor our care to meet each service user's specific needs and wishes, from nutritionally balanced and varied menus to private physiotherapy. Research and best practice are part of our demanding quality standards.
